Policies and Procedures

Personal Belongings & Money

Campers are responsible for any personal belongings they bring to camp. We do require extensive labeling of all belongings as a preventative measure for lost items. FVMRD is not responsible for missing/broken items. A “Lost and Found” box is kept at camp, where we put all recovered items. Electronic devices may ONLY be used during designated times (i.e. field trips / returning from a field trip). NO “WHEELIE” shoes are allowed.

Money for vending machines during regular camp days is strictly prohibited. Money will only be allowed on field trips. Kids should bring no more than \$10. We strongly discourage spending on candy or soda. Please communicate with camp staff if you send your child on a field trip with money.

Sign In / Sign Out

For the safety of all children, parents are required to sign their child in and out each day. The day camp staff will need written authorization to release a child to someone other than the parent or guardian (see “Destination Release” information on ePACT).

Counselors will ask to see a photo I.D. to verify names on the authorized release. Parents/guardians will need to show legal documents regarding any legal restrictions concerning contact with their child. ALL VISITORS to the center, must check in with camp staff and sign in/out on the attendance sheet.

Policies and Procedures Cont..

Transportation

Field trips outside of the Fraser Valley will be transported by staff (age 21+) caravanning in FVMRD vans or minibuses or East Grand School District Buses or Winter Park/ Fraser Buses. Staff will NOT transport any campers in personal vehicles. Written authorization must be given to transport your child in FVMRD vehicles. You can find the authorization form within your child's ePACT account. Drivers are required to have all current licenses and certifications. Seat belts are required for anyone riding in District mini-buses. Vehicles are inspected prior to transport to ensure they are in good and safe operating condition. All children are instructed to abide by the rules pertaining to safe transport. Parent/Legal Guardian is required to sign the excursion roster for each excursion. A field trip permission waiver is also required for some excursions and must be on file with the Children's Programs office prior to transport. Staff-to-child ratios are maintained at all times during excursions. It is our policy to constantly take head counts and to take roll to prevent lost children. In the event a child does become lost, we will notify Parent/Legal Guardian immediately to decide the next course of action, including notifying the local authorities. In the event of a lost or missing child during an excursion, an emergency plan will be activated immediately and Parent/Legal Guardian will be notified.

Special outings or hikes will be listed on our daily schedule. We will also leave a sign on the door at GPCRC or the Program Building letting parents know where we are, when we plan to return, and a mobile phone number for contact with the group. The GPCRC Front Desk will also be aware of camp's whereabouts at all times (970-726-8968).

Reporting of Suspected Child Abuse

Colorado law requires that childcare providers report all known or suspected cases of child abuse or neglect. Childcare services play an important role in supporting families, and strong families are the basis of a thriving community. Your child's education, physical, emotional, and social development will be nurtured in a well-planned and run program. Remember to observe the program regularly, especially with regard to children's health and safety, equipment, play materials, and staff. For additional information please consult the Colorado Office of Division of Human Services at (303)866-5958.

Policies and Procedures Cont.....

Expected Behavior

FVMRD Staff uses positive methods of guidance that encourage independence and accountability. Redirection is a way to guide a child from inappropriate play to a more appropriate activity. Staff communicates clearly with children when solving problems.

Communication can include giving alternative choices to the child or assisting the child with problem-solving. Please inform the Youth Program Supervisor if your child has any behavioral, mental, or physical challenges. Parent and staff conferences can be requested to discuss your child's behavior, progress, and social and physical needs.

In order to ensure a positive experience for all Camp participants, we ask that three basic principles are observed:

- ♦ Keep yourself safe
- ♦ Keep others safe
- ♦ Keep the materials and equipment safe

Simply Stated:

- 1) Behavior Report (Warning)
- 2) Behavior Contract (Second Instance)
- 3) Parent Meeting (Third Instance)

Behavior Report

The first instance of mistaken behavior (minor offense – staff discretion):

1. Children will be separated from the group.
2. Staff & child will determine when a child is ready to return.
3. Staff will record the incident and parents will be informed.

Behavior Contract

The second instance of mistaken behavior or major offense:

1. Separate the child from the group.
2. Staff & child will reflect upon behavior and discuss solutions.
3. Staff members will notify parents of behavior & next steps.
4. If the safety of others is at risk, the supervisor will be notified immediately.

The third time a problem should arise, staff will convene to determine outcomes from said behaviors, and meet with parents. As a last resort: A decision could be made to suspend the child temporarily. The child could be removed from the program entirely.

Policies and Procedures Cont.

Medications

1. Please notify the Camp Director if during camp your child will need any type of medication, prescription, or over-the-counter, or if they require special medical attention due to allergies. Parents may need to meet with the Recreation Supervisor or Camp Director prior to attending in order to set up a Health Care Plan specific to your child.
2. Parents should check with their healthcare provider to see if a dosage schedule can be arranged that does not involve the hours of camp.
3. In the event that medication does need to be administered during camp time by staff, we must have a medical form on file on ePACT with authorization from a health care provider and parent written authorization.
4. Medications must arrive in their original container.
5. If the proper paperwork for medication has not been completed or it is not in the original container, medication cannot be administered by camp staff and cannot remain onsite.
6. Only the medication administration-certified staff are authorized to administer medication and only if there is a signed parent/guardian and physician waiver on file.
7. Children who correctly know how to use their Epi-Pen and inhaler may keep it with them if the proper paperwork is on file. Confidentiality of the child will be maintained at all times.
8. All medications will be kept locked up away from children. All procedures for storing and administering children's medicines and delegation of medical administration are in compliance with Section 12- 38-132 C.R.S., of the "Nurses Practice Act."

In the event a child should become separated from the group, camp staff will notify the Assistant Director or Director and a search party will be organized immediately. The rest of the camp group will be supervised by staff members not actively searching for the separated child.
3. Camp staff will contact authorities for assistance if necessary. If the group is on a field trip and a child becomes separated from the group; the organization will be contacted immediately. For all situation’s parents will be notified, and updated on the status of the situation.
4. A report describing the incident will be properly documented by all staff involved with the specific incident. Each staff member will report exactly what happened from their perspective and documentation will be collected by the Recreation Coordinator. If the child is determined to be missing for a period of more than 5 minutes all documentation will be made available to the Department of Social Services.
